The total pool of funds estimated above is *NOT* the *MAXIMUM* amount payable to this class of creditors. Instead, the actual pool of funds available for payment to these creditors under the plan base will be determined only after audit of the plan at time of completion. The estimated percentage of payment to general unsecured creditors is <u>0.00</u>%. The percentage of payment may change, based upon the total amount of allowed claims. Late-filed claims will not be paid unless all timely filed claims have been paid in full. Thereafter, all late-filed claims will be paid pro-rata unless an objection has been filed within thirty (30) days of filing the claim. Creditors not specifically identified elsewhere in this plan are included in this class.

These payments may not resolve all of the postpetition claims of the utility. The utility may require additional funds from the debtor(s) after discharge.

The debtor(s) understand and agree(s) that the chapter 13 plan may be extended as necessary by the trustee (up to any period permitted by applicable law) to insure that the goals of the plan have been achieved. Notwithstanding any statement by the trustee's office concerning amounts needed to fund a plan, the adequacy of plan funding in order to meet the plan goals remains the sole responsibility of debtor(s) and debtor(s)' attorney. It shall be the responsibility of the debtor(s) and debtor(s)' attorney to monitor the plan in order to ensure that the plan remains adequately funded during its entire term.
- 8.2 Prior to the meeting of creditors, the debtor(s) shall comply with the tax return filing requirements of 11 U.S.C § 1308 and provide the trustee with documentation of such compliance by the time of the meeting. Debtor(s)' attorney or debtor(s) (if pro se) shall provide the trustee with the information needed for the trustee to comply with the requirements of 11 U.S.C. § 1302 as to the notification to be given to Domestic Support Obligation creditors, and debtor(s)' attorney or debtor(s) (if pro se) shall provide the trustee with the calculations relied upon to determine the debtor(s)' current monthly income and disposable income.
